

CENTRAL WASHINGTON UNIVERSITY

FINANCIAL WORKSHEET FOR STUDY ABROAD/EXCHANGE

Name: _____

Program: _____

This worksheet is provided to help you plan financially for your study abroad/exchange experience. Program fee information is included on the CWU webpage for your program, although you should confirm that program fees are accurate with your program sponsor. Some programs include estimates for travel, housing, or other expenses not included in the program fee itself. You may also need to do some research on-line to determine reasonable costs for travel.

Most types of financial aid apply toward study abroad/exchange program costs, with the exception of tuition waivers and work study. Scholarships generally apply to programs as well, but you should check with your scholarship administrator or the CWU Scholarship Office to be sure. The Home Cost column has been included to help you compare the costs of study at CWU or your home institution to the costs of study abroad/exchange. You can access the Financial Aid budget for study on the CWU campus at <http://www.cwu.edu/~finaid/>.
